Job description

Job description

Roles and Responsibilities

We are searching for a reliable and passionate English teacher to join our faculty. The English Teachers responsibilities include preparing lesson plans, tests and assignments, supervising students during investigations and experiments, and acting as a field trip chaperone. You should be able to teach students from different backgrounds, with varying aptitudes and interests. To be successful as a English teacher, you should be culturally sensitive, well-organized, and demonstrate insatiable curiosity. Outstanding candidates are not squeamish and can confidently explain bodily functions to teenagers.

English Teacher Responsibilities:

- Preparing and delivering engaging English lessons to students from different backgrounds, who all have different interests and abilities.
- Monitoring student performance, and adjusting teaching strategies and techniques for improved content delivery.
- Establishing classroom and field trip rules and ensuring all students understand and accept them.
- Setting up exams, assessments, and experiments in accordance with curriculum requirements and standards of the state and district.
- Communicating any student issues to parents, counselors, and other relevant staff members.
- Attending school events, club meetings, and staff meetings as required.
- Representing the school at conferences, workshops, and other networking events.
- Coming up with suggestions to improve the English Department and general school operations.
- Building rapport with students so that they feel comfortable and safe discussing sensitive topics in class.

Job description

98thPercentile offers online, after-school, enrichment and acceleration programs in Math, English (Reading & Writing), Coding, and SAT for Grade K to 12 students. Our enrichment programs are designed to enhance your child's overall academic development. We are searching for a dedicated **English teacher** to join our team. As an English teacher, you will be required to deliver lessons that develop students' theoretical and applied mathematical skills.

Job responsibility on selection:

- This is a night shift job with fixed working hours.
- Tuesday to Friday: 2:15 AM (IST) to 11:30 AM (IST)
- Saturday: 5:30 AM (IST) To 9:30 AM (IST) And 5:50 PM (IST) to 11:30 PM (IST).
- Sunday : 2:30 PM (IST) to 11:30 PM (IST)
- The teacher needs to take online classes, assign homework and assign tests
- All tasks are to be executed online on our platforms.
- You shall be required to work 8 to 9 hours daily

Preferred Skills:

- Ability to engage your students
- 1 year of online teaching experience
- Identifying strengths and weaknesses
- Scaffold challenging concepts
- Ability to use props and visuals effectively

Job description

sition: Medical Coder - Work from Home

Ct: HR Shanmugapriya- 9566284629

Job Description:

Position: Medical Coder.

Medical Coding is the process of converting patient health information into alpha numeric codes. Coders take medical reports from doctors, which may include a patients condition, the doctors diagnosis, a prescription, and whatever procedures the doctor or healthcare provider performed on the patient, and turn that into a set of codes, which make up a crucial part of the medical claim.

Eligibility:

All (UG/PG) Life Science & Paramedical Graduates

- BDS BPT BHMS BAMS
- Siddha, Unani, Naturopathy
- {Dip Bsc Msc} Nursing/GNM
- {B.E M.E} Biomedical Engineering
